

Section 3 - External Auditor Report and Certificate 2024/25

In respect of **Cockermouth Town Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2024/25

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

We note that the council has recently reviewed its fixed asset policy, which was approved and adopted by the council in April 2025. As a result of the new policy in place the council have updated their 2024/25 fixed asset register and hence the value included at Box 9 in the 2025 column of Section 2. However as per Paragraph 2.27 of JPAG Practitioners' Guide 2024, where an authority changes its method of asset valuation it will need to restate the prior year's figure in Box 9 to the same basis. Therefore, we expected the 2024 Box 9 figure to have been restated in line with the restated asset values for the 2025 year. As a result of this, we expected Assertion 1 on the Annual Governance Statement to be answered 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

Upon review, general reserves appear to be held at a low level. The council should keep this under review and ensure that they have sufficient general reserves to cover expenditure. Per Paragraph 5.34 of JPAG Practitioners' Guide 2024, best practice suggests this should generally be at least 3 months expenditure as a minimum. These cannot include ring fenced funds and should avoid including funds which are designated for another purpose.

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The parish council should in future ensure that all the necessary supporting information is provided with their annual submission.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.
